

(4) Code No. :B-302(A)

wealth of our nation on whose shoulders the future responsibility of guarding the interest of a nation lies. Unless mothers are truly well-educated the upbringing of our children both male and female, must suffer in the most important early stages. This must be so whatever progress is to be made in the organisation of our schools and college. This is enough to induce us to pay much greater and more scientific attention to the education of our girls than we are doing now.

Questions :

1. What role do the women play in our society?
2. What is the important task our women perform?
3. On whose shoulders the future responsibility of guarding the interest of nation lies?
4. Why does the upbringing of our children suffer in the early stages of their development?
5. Why should we pay greater attention to the education of our girls?
